09th June 2020

Dear Parents,

Greetings from Don Bosco School.

We have taken lots of pain and struggle to conduct online classes to benefit our students. We also launched a new Website to provide study materials for students who could not avail the online classes due to certain difficulties. Online classes will be resumed from 15th June. As per the CISCE instruction, the remaining Board Examinations will be conducted from 1st July onwards. Students of Classes X and XII are asked to follow the instructions given by the Council for the conduct of the Examinations. DBL is also getting ready with all proper sanitization of places for conducting the examinations.

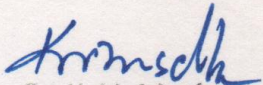

We at Don Bosco School, Liluah contributed Rupees Two Lakhs Fifty Thousand towards the Chief Minister's Fund through the Salesian Province of Kolkata for Covid-19 relief work. This contribution is the manifestation of our concern for the people of our state and commitment to express our love for the needy.

Covid-19 pandemic has indeed affected everybody both psychologically and financially. We can feel the struggle many parents go through to pay the school fees. Hence, **the Management of Don Bosco School, Liluah has decided to ask the parents to pay only the tuition fees for the months of April to August 2020.** Parents who have already deposited the fee according to the old fee structure will be refunded the extra amount once the school account office starts functioning. Banks will be accepting the fees only after 12.6.2020. I would like to express my sincere gratitude to those parents who paid the school fees on time. We could disburse the salary of our staff on time because of the support of those valuable parents.

Fr. Antony Vayalil and Fr. Jacob Tete have been transferred from Don Bosco School, Liluah to Don Bosco Park Circus and Don Bosco Kalimpong respectively. We would like to thank both fathers for their commitment and love with which they served this institution. Fr. Antony has been the Bursar of this institution for the last four years and worked hard to make our life comfortable here at DBL.

We wish our students and parents God's protection and good health. Take care.

God bless you,

Fr. K. V. Mathew
